

DE BORTOLI

REGION

Yarra Valley - Victoria

Yarra Valley wineries produce some of the world's best cool-climate wines and are renowned for restaurants that match their wines with regional produce sourced from nearby orchards, farm gates and dairies.

The Yarra Valley's cool climate (warmer than Burgundy but cooler than Bordeaux) is ideal for viticulture. It has over 4000 hectares under vine, and is one of the most visited wine regions in Australia.

Located less than one hour's drive from Melbourne, the beauty, climate and fresh produce of the valley continues to be an inspiration to artists, art- and nature-lovers, and fans of fine food and wine.

WINERY

De Bortoli

De Bortoli Yarra Valley Estate is one of the valley's largest. This family-owned and managed winery is home to some of the oldest plantings in the Yarra Valley dating back to 1971. The estate is managed by Leanne De Bortoli and her husband, Stephen Webber, who is also the chief winemaker.
