

PIZZINI WINES

REGION

King Valley - Victoria

Victoria's stunning King Valley is located at the foothills of the Alpine National Park, approximately 3 hours North East of Melbourne. The valley's continental climate provides warm days and cool nights, influenced by the katabatic breeze that sweeps northward down the valley from the high country. The region takes advantage of a range of microclimates, from the slightly warmer valley floors to the bracingly cool upper slopes, enabling production of a wide range of wine styles.
